"Shagbad the Sailor" was played with great success at the Orpheum Theatre on last Thursday evening by the Bisbee Shagbad Company under the direction of Arthur Howard Ten Eyck, and was presented by Bisbee Lodge No. 718 Loyal Order of Moose. A full house and an enthusiastic audience greeted the performers and the play is generally considered the most successful and satisfactory of the several musical comedies yet presented by our local musicians. The Bisbee Shagbad Company did itself proud and the whole cast of characters showed a line of talent that would be hard to beat in talent several times the size of this. The play is a jolly one and a laugh producer right along from the start. The second and last performance will be given at the Orpheum on Tuesday evening the 27th, and should, and doubtless will, draw a full house. Reserved seats without extra charge are now on sale at the Orpheum ticket office.

The entertainment given at the high school Friday night for the benefit of the Lincoln School playground, was a success from every standpoint both financially and socially. The numbers given by the pupils of the Lincoln school were especially good as were also the musical numbers by the high school orchestra and the Glee Club both of which were up to their usual high class standard. In fact, everyone who took part in the rendition of this splendid program are deserving of much praise for their effort.

The good clergyman was ministering to the needs of inmates of a private lunatic asylum and he was especially warned against an exceeding by cross-gained, recently arrival patient. Nothing daunted, however, the reverend gentleman entered the little room where the man was confined and began conversation with him.

"Is it true," inquired the crazy man, "that Queen Elizabeth has recently married the Sultan of Turkey?"

"Quite true," replied the visitor, bent on humoring the patient.

"And it is also true, I suppose," went on the demented one, "that Theodore Roosevelt has been elected president of the United States for the thirty-second time?"

"Quite, quite true," said the clergyman fervently.

"Ah," said the madman, rubbing his hands with glee, "and pray what may you be?"

"Oh, I am a minister of the Gospel."

"Well," said the man reflectively, "you look like a minister of the church and you may be one, but you are the biggest blankety-blanked liar I ever met!"

Trail, dating back to the 18th century, and to the emigrant trail leading westward from Santa Fe, N.M. Mexico, and dating back to the days of bull teams and prairie schooners. Both of these trails pass over the site of Old Trails. Southern California capital, represented by V. S. Rowley of Los Angeles, and Henry D. Blake, former public administrator of San Bernardino County, is invested in Old Trails. Haft & Colwell, deputy United States mineral surveyors, formerly of Cripple Creek, and later of Goldfield and Rawhide, Nevada, are surveying and plotting Old Trails. They expect to have the work finished in time for dedication services on May 15th. The advent of Old Trails into the sisterhood of Arizona mining camps is to be celebrated in an appropriate manner. The program so far as outlined, includes a barbecue, a miners drilling contest, field sports, a concert by the Tom Reed Mine band and auto races over a section of the route of the annual Los Angeles to Phoenix automobile race—it leads across the site of Old Trails.

D. P. Wright, president of the Black Range Mining Company, returned the current week from Los Angeles where he purchased mine equipment and supplies. The Black Range group consists of eight claims, two of which are patented. Mr. Wright has just bought for \$12,000 the interest of two Los Angeles men in the latter. Passing through the property is the huge dike that constitutes the southern boundary of the Tom Reed-Gold Road district as at present defined. This dike is one of the best mineralized in the camp and is pronounced by mining men who are conversant with mineral conditions here to be one that at a depth will probably carry large shows of pay ore.

Development of this dike is being prosecuted through the medium of a

GIRLS! STOP WASHING THE HAIR WITH SOAP

Soap dries your scalp, causing dandruff, then hair falls out—Try this next time.

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap sparingly as possible, and instead use a "Danderine Hair Cleanser." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant, and possess an incomparable softness and lustre.

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can surely have lots of charming hair. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

shaft which is being sunk on the Gold en Era claim. It has a depth of 115 feet and from its bottom a circular 120 feet in length has tapped the vein. A drift has been run in the vein a distance of 15 feet and in its face the ore breaks to an average of 10-000 gold per ton. Having demonstrated the presence and strike of the vein, the management will now sink to a depth of 300 feet, croissant in the vein exposed at a depth of 115 feet and drift east on it for an ore shoot. Mining operations are facilitated by hoisting machinery and a 40-horse power compressor.

Best Laxative For Children

When your baby is cross and fretful instead of the happy, laughing little dear you are accustomed to, in all probability the digestion has become deranged and the bowels need attention. Give it a mild laxative, dispel the irritability and bring back the happy content of babyhood.

The very best laxative for children is Dr. Caldwell's Syrup Pepsin, because it contains no opiate or narcotic drug. It is pleasant tasting and acts gently, but surely, without griping or other distress. Why grin and bear all these ills when Sloan's Liniment kills pain?

"I have used your Liniment and can now sit in ease. I have used it for sore throat, strained shoulder, and it acted like a charm."—Allen Dunn, Route 1, Box 88, Pine Valley, Mo.

"I am a painter and paperhanger by trade, consequently up and down ladders. About two years ago my left knee became lame and sore. It pained me at night at times till I could not rest, and I was contemplating giving up my trade on account of it when I changed to think of Sloan's Liniment. I had never tried it before, and I am glad to state that less than one 25c bottle liked me up apparently as good as ever."—Charles C. Campbell, Florence, Texas.
